

# Wooden Cross Praise Band

The Wooden Cross Praise Band plays music from popular artists that promote Christian values or are spiritually influenced. These include reggae artists like Bob Marley, rock artists like U2, roots artists like Bruce Springsteen, and world music artists like Los Lobos. The Praise Band attempts to engage the audience and make them active participants in the songs, either through the use of percussion instruments (such as Shakers), or through sing-along chorus parts. The Praise Band is open to anyone in the church to join and is particularly focused on involving youth in the church. Currently, there are seven youth that play in the band (guitar, bass, slide guitar, keyboards, and

vocals). The Praise Band is always looking for more – especially male vocalists, where we are short-handed!
