

Wooden Cross
Sunday School Begins
September 11, 2011!

9:15 - 10:10 AM

Ages 3 years through 12th Grade

Sunday School is held during Education Hour between services at 9:15 AM. This year we will activate our Sunday School kids faith with a curriculum called Spark. Spark is a Sunday school faith formation program that empowers kids' creativity and imagination. With Spark, kids open their Bibles each week and engage in Scripture! Kid's faith will grow as they encounter God's Word while participating in activities that reinforce the Bible stories. Spark lessons are designed to engage every child in active learning! Age-appropriate lessons designed for multiple intelligences reinforce key points of the stories and help kids get more out of Sunday school, no matter what their learning style may be. Join us this year as we help our kids be Engaged by God in a Living Faith, at Home, at Church and in the World.
